

# THIRD PARTY REVIEW SERVICES

## PLAISTOW, NEW HAMPSHIRE

SFC Engineering Partnership, Inc., assisted the Town of Plaistow with third party plan review and inspection services. SFC provided life safety code reviews and inspections, and sprinkler and fire alarm plan reviews and inspections as requested by the Town. In addition to third party services, SFC also provided the Town with evaluations of its water tower and fire suppression water system.

SFC worked closely with local authorities to ensure all regulations and applicable state requirements are met. SFC is proud to maintain a close working relationship with local code officials for the Town of Plaistow.
