

DERRY MUNICIPAL CENTER

DERRY, NEW HAMPSHIRE

SFC Engineering Partnership, Inc., (SFC) was retained by the Town of Derry to act as official Clerk of the Works for the new Derry Municipal Center Building. Major project responsibilities included providing assistance to the Town of Derry in the setting up of a financial budget tracking system, performing independent budget tracking of the \$5.2 million construction budget, and performing construction inspections and reports of findings as requested. The three-story, 38,000 square foot Municipal Center houses the Administration Affairs Offices for the Town of Derry, NH. The project began in the Spring of 2001 and was completed in the Winter of 2002.
